

OPEN THE DOOR TO
SUSTAINABLE LIVING

*Come and discover essential
environmentally friendly practices*

Our inspirational tour includes the off-grid Straw Bale house and electrical power and heating system. Explore the organic gardens. Visit the chickens, goats and alpacas. Our main focus is to live a self-sufficient lifestyle using sustainable practices in our everyday life.

Sustainable Living Tours
November to March 10am and 2pm
Sundays, Mondays & Tuesdays only

Book online for tours, workshops and health clinic
